■ Pro Tips — Before You Contact Any Mill

WhatsApp First	Pakistani mills respond faster to WhatsApp than email. Message in Urdu if possible.
Visit Kamoke G.T. Road	80% of mills are on this single road — one visit = 10+ quotes in one day.
Ask for REAP Membership	Confirms mill is a verified exporter. Check reap.com.pk member profiles.
Request Free Sample	Always ask for 1–2 kg sample before any order. Serious mills always agree.

Get 3+ Quotes	Contact minimum 3 mills and compare — use competing quotes to negotiate lower price.
Off-Season = Cheap	Oct–Jan (after harvest) — prices are at their lowest. Best time to lock rates.
Pay Advance = Discount	Offer 40–50% advance payment — mills typically give 3–5% price discount.
Verify Before Paying	Visit mill physically or send a local agent before making any advance payment.
